

REMARKS / ARGUMENTS

Claims 1-2 and 28-29 have been canceled without prejudice, thereby obviating rejections under 35 USC 103(a) over Nakano in view of Manzur.

Claims 3-27 and 30-50 were indicated as allowable subject matter.

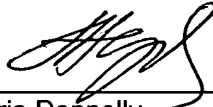

Accordingly, claims 3 and 30 have been amended as suggested by the examiner to include limitations of the base claim and any intervening claims. Claims 4-27 depend on the amended claim 3, and claims 31-50 depend on the amended claim 30 and therefore should be allowed.

New claim 51 depends on the amended claim 3, and new claim 52 depends on the amended claim 30 and therefore should be allowable.

Thus, all requisitions raised by the Examiner have been addressed.

An early allowance of this application is courteously requested.
